

Alive

Gareth Gates

I see so much beauty
Hidden way beneath your skin
That sure ain't no sin
You say you ain't pretty
Not in any place it counts
But I am blind to all that you doubt
It ain't perfection for which I would die
It ain't just somebody just made me feel alive
Can't stop dreaming about this good love
See, heaven sent me an angel looking just like you do
Can't stop dreaming about this good love
Sometimes, baby, you make me feel alive
You know why he wants you
But I ain't the same as him
Look a little further within
Your life has had some long nights
All those tears I wipe away
Just close your eyes and hear what I say
It ain't perfection for which I would die
It ain't just somebody just made me feel alive
Can't stop dreaming about this good love
See, heaven sent me an angel looking just like you do
Can't stop dreaming about this good love
Sometimes, baby, you make me feel alive
I never thought I'd find the one - it's like a dream
Gotta get closer to you, if you know what I mean, baby
Don't be scared - I'll never hurt you, never lie
Truth is I need you, cause you make me feel alive
Can't stop dreaming about this good love
See, heaven sent me an angel looking just like you do
Can't stop dreaming about this good love
Sometimes, baby, you make me feel alive
Can't stop dreaming about this good love
See, heaven sent me an angel looking just like you do
Can't stop dreaming about this good love
Sometimes, baby, you make me feel alive
