

If Only You Knew

[Keke Wyatt](#)

I must have rehearsed my lines a thousand times
Until I had them memorized
But when I get up the nerve to tell you
The words that never seem to come out right, ohhIf only you knew how much I do
Do love you, oh
If only you knew, how much I do
Do need youI dream of moments we share, but your not there
I'm living in a fantasy, but you don't even suspect
Could probably care less
About the changes I been going throughIf only you knew how much I do
Do love you, oh
If only you knew, how much I do
Do need you, play onNo, you don't even suspect
Could probably care less
About the changes I been going throughIf only you knew how much I do
Do love you, oh
If only you knew, how much I do
Do need youOh, if, if, oh, you don't know how much
You don't know, I said you don't know
How much I need you sugarOnly you knew, how much I do
I love you baby, only if you knew how much I do
I love you baby, I need you baby
