Letâ€™s Do It Right (feat. Eva Simons)

The Young Professionals

I got some old records, Elton John
So we can play it all night long and on
You like the music of that special song
I wanna hear you sing it loud and strong and onI got some friends over, having fun
We're spinning 80's music till the sadness gone
Neighbors calling Ã¢EËœcause it's way too strong
And I need you now, you're not going homeTurn up the volume, turn down the lights
Turn up the tempo and stop with the fights
Loving the atmo', loving the night
Turn up the volume, Let's do it rightLet's do it right
Let's do it right
Let's do it right
Let's do it right
At dizzy heights, got my makeup done
Ready to let it out like nothing's wrong at all
You like your thrills in showers raining down
I wanna see you happy feeling you belongI kicked my girls out so we'll be alone
The place is empty now so you should join me for
Big old bed's a mess and I am pumped
I need you now, you're not going outTurn up the volume, turn down the lights
Turn up the tempo and stop with the fights
Loving the atmo', loving the night
Turn up the volume and Let's do it rightLet's do it right
Let's do it right
Let's do it right
Let's do it right
You're easy going, I know you're easy going
I'm easy going, too, together we can show it
You had a drink or two so everything is flowing
I'm easy going, too, so baby, we canTurn up the volume, turn down the lights
Turn up the tempo and stop with the fights
Loving the atmo', loving the night
Turn up the volume, Let's do it rightTurn up the volume, turn down the lights
Turn up the tempo and stop with the fights
Loving the atmo', loving the night
Turn up the volume, Let's do it rightYou're easy going, I know you're easy going
I'm easy going, too, together we can show it
You had a drink or two so everything is flowing
I'm easy going, too, so baby, we canLet's do it right

Let's do it right
Let's do it right
Let's do it rightLet's do it right
