

# Dance

## Roy Orbison

Well, they're dancin' down the corner, put your best dress on  
Get with it, baby, we're gonna go all night long  
Yeah, yeah, uh, uh, yeah, yeah  
Get ready right now, we gonna dance on and on Well, put those rings on your fingers, bells on your toes  
Get with that feeling, baby, body and soul  
Yeah, yeah, uh, uh, yeah, yeah  
Well, I got the dancing fever, we gonna dance all night Well, dance baby, dance, yeah, dance baby, dance  
Uh, uh, uh, dance baby, dance, yeah, yeah, dance baby, dance  
Oh yeah, alright, let's dance Put those rings on your fingers, bells on your toes  
Get with that feeling, baby, body and soul  
Yeah, yeah, uh, uh, yeah, yeah, well, I got the dancing fever  
Baby, let's dance all night Yeah, yeah, yeah, yeah, don't stop Come on now, dance baby, dance, I said, dance  
baby, dance  
Come on, dance baby, dance, yeah, dance baby, dance  
Come on, dance baby, yeah, yeah, I said, dance  
Come on now, dance baby, dance, I said, dance baby, dance  
Come on sugar, sugar, dance
