I Tried Over

Smiling Horse

I tried over.

Well â€œ I grew up in a difficult world
So many people everywhere
Nobody knows about the secrets in my heart

Don't want to loose.
But, its matter of time
So many people all around
Do you ever should know
About the secrets in my heart

I tried over â€œslip away â€œI tried over
Dream away
I've never ever thought to fight
I could not know violence was everywhere

Intermezzo â€˜solo saxophone

I tried over â€œslip away â€œI tried over
Dream away
I've never ever thought to fight
I could not know violence was everywhere

Make a better world
For the human race
Created a better place
Dream away, Fly away, Sail away

Make a better world
For the human race
Created a better place
Dream away, Fly away, Sail away

I tried over â€œslip away â€œI tried over
Dream away
I've never ever thought to fight
I could not know violence was everywhere,
everywhere,

everywhere
