

Summer Soft

Stevie Wonder

Summer soft
Wakes you up with a kiss to start the morning off
In the midst of herself playing Santa Claus
She brings gifts through her breezeMorning rain
Gently plays her rhythms on your window pane
Giving you no clue of when she plans to change
To bring rain or sunshineAnd so you wait to see what she'll do
Is it sun or rain for you
But it breaks your heart in two
When you find it's October
And she's gone
And she's gone
Summer's gone
Taking with her summer's playWinter wind
Whispers to you that he wants to be your friend
But not waiting for your answer he begins
Forcing dangers way with his breezeMorning snow
Plans to have a winter ball for you to throw
But just where or when he never lets you know
If it's snow or clear days you'll findAnd so you wait to see what he'll do
Is it sun or rain for you
But it breaks your heart in two
'Cause you've been fooled by April
And he's gone
And he's gone
Winter's goneYou find it's October
And she's gone
And she's gone
Summer's goneYou've been fooled by April
And he's gone
And he's gone
Winter's goneYou find it's October
And she's gone
And she's gone
Summer's goneYou've been fooled by April
And he's gone
And he's gone
Winter's gone
