Comfort Me

Carla Thomas

I was found after losing my way,
Safe and sound after many a day.
I was lost in a world of madness,
Please take me from all of this sadness.[Chorus: x2]
Comfort me, in whatever I do.
Comfort me, and I'll comfort you too.
Follow me, 'cause I'm trying to love you.
Can't figure out what's wrong with my head,
I used to think I wish I was dead.
You took me from all of that sorrow,
My future's bright, I can't wait 'till tomorrow.There ain't nothin' to it, anyone can do it,
It's easy when you're feelin' right.
I know that I feel good, and I know that you should,
Stop not doin' what you know is right.
Don't know what it is that's causing this feeling,
What ever it is I'm touching the ceiling.
I won't let go of this beautiful sound,
I once was lost but now I am found.[Chorus]
