The Last Time Again

Lit

I don't wanna be an asshole anymore
Sick and tired of all the promises
That I make to you
And I break to youI know you think you've heard it all before
Something tells me that you think I'm stupid when I say to you
And what I say is true
Too much lyin', too little tryin'This time is gonna be the last time
(Gonna be the last time)
The last time again
This time is gonna be the last time
(Gonna be the last time)
The last time againWell I don't wanna be redundant anymore
Skippin' like a broken record you can play again
But I'll do it all again
Put it behind me, then you rewind meThis time is gonna be the last time
(Gonna be the last time)
The last time again
This time is gonna be the last time
(Gonna be the last time)
The last time againOnce again
I must have been
Tryin' to wash away the sin
'Cuz I wake up
Bathroom floor
I won't do this anymore
Startin' tomorrowThis time is gonna be the last time
(Gonna be the last time)
The last time again
This time is gonna be the last time
(Gonna be the last time)
The last time againThis time is gonna be the last time
(Gonna be the last time)
The last time again
This time is gonna be the last time
(Gonna be the last time)
The last time again
