

# Stomp

## The Brothers Johnson

(Johnson and Temperton)

Steppin' out the weekends open wide  
Fill it up let's blast the jams and ride  
While we're cruisin' around in the street  
Listen up for the party in feet

Slap me five  
that's the place we've arrived  
It's alive  
Ev'rybody take it to the top  
We're gonna stomp  
All night  
In the neighbourhood  
Don't it feel alright  
Gonna stomp  
All night  
Wanna party  
'Til the morning light

Runnin' runnin' runnin'  
The set is hot  
There's people wall to wall  
Old gones young things  
Short ones standing tall  
Grab the one with the smile on her face  
And hit the floor and stay right on the case  
The heat is on  
And the funk just won't leave us alone  
Ev'rybody take it to the top

We're gonna Stomp  
All night  
In the neighbourhood  
Don't it feel all right  
Gonna stomp  
All night  
Wanna party  
'Til the morning light

Gonna Stomp  
All night  
In the neighbourhood  
Don't it feel all right  
Gonna stomp  
All night  
Wanna party  
'Til the morning light

## STOMP

Stomp, step down in it  
Put your foot where you feel the fit  
Stomp you don't want to quit  
Put your heels where you're feelin' it

Stomp, step down in it  
Put your foot where you feel the fit  
Stomp you don't want to quit  
Put your heels where you're feelin' it

Stomp, step down in it  
Put your foot where you feel the fit  
Stomp you don't want to quit  
Put your heels where you're feelin' it

[Instrumental Interlude]

Gonna Stomp  
All night  
In the neighbourhood  
Don't it feel all right  
Gonna stomp  
All night  
Wanna party  
'Til the morning light

Stomp  
All night  
In the neighbourhood  
Don't it feel all right  
Gonna stomp  
All night  
Wanna party  
'Til the morning light.....
