

No Plan B

Marc Maron

Verse I

I drop in with my face to the wind

Spin 180 for the win

But I cant find my feet its like I lost the beat

Mid air and theres no plan Bs

Hit the streets,

Look before I leap again,

Skeleton filled with Adrenalin

How can I know that I got what it takes?

When Ive come so far, through the rain

Bear the pain

Makes no difference now

Face myself or get taken out

One more time got to live this loud

Back to the wall no turning around)

CHORUS:

Its too late Its my fate

I cant turn around

Theres no fear, in the mirror

To hold me down

Im too far, from the start

Now Im in too deep

Ive got to stick to the plan

Cause theres no Plan B

No turning back (No plan B)

Theres no other path, (No plan B)

And I know that this road is my destiny

Ive got to stick to the plan

Cause theres no plan B

Verse II

Get a shot, for the top on my soap box

Pop a zit go sing let my tunes talk

Cool kid, and Im in the mood

Give me combo number 2

Whats up wic平 you?

Dude you look scared to me, better take a chair

Before you fail to see, A to Z like 3 times 3

Its the basics, homie embrace it

Come on!!

Take the shot dont waste the clock

March to the drum of the #1 spot

Born for this, victorious

Storms break off so glorious

Chorus Repeats

Bridge:

All I know is I cant turn back, all I know is I cant turn back

Got to leave it in the past, got to leave it in the past.

All I know is I cant turn back, all I know is I cant turn back

Got to leave it in the past, got to leave it in the past.

Cause this is the only road Ive ever known,

theres no way that I could start again, Again
