Wednesday Morning

America

Wednesday morning was the last time we talked
I guess she figured it was better if she walked
It could've been me just the same
There's no winner in this game
Oh, Wednesday morning was the last time we talkedWednesday evening was the first time she cried
It could've turned out different if I'd lied
Something deep within us all
Sees the writing on the wall
Oh, Wednesday evening we didn't talk at allI've been waiting every evening
Wondering what I'm gonna say
Sometimes life can be deceiving
Wednesday won't go awayIt could've been me just the same
There's no winner in this game
Oh, Wednesday evening and nothing is the same(Oh) I've been waiting every evening
Wondering what I'm gonna say
Sometimes life can be deceiving
Wednesday won't go awayWednesday morning, yeah
Sometimes life can be deceiving
Wednesday won't go awayI've been waiting every evening
Wondering what I'm gonna say
Sometimes life can be deceiving
Wednesday won't go away, yeahWednesday morning, yeah
Sometimes life can be deceiving
Wednesday won't go awayWednesday morning, yeah
