

# This Is Who I Am

[Vanessa Amorosi](#)

I spend my life, trying to do things right  
but all I do is fall to my face with my hands on my head so many times  
but then I learnt, after being burnt  
to get back up and push straight on  
stop the tears people move on, on Well it's alright to be myself  
now I've learnt to stand  
well it's ok to be just who I am  
I spent years really hating me  
longing to be friends, now I hope that you can understand  
This is who I am Now when life gets tough  
I'm quick to hurry up  
I run all day, I run through the night  
I break down walls, I hit up high  
I don't care if I'm fat, or if you think my clothes are bad  
'cos I can go to sleep at night, I'm a good person and I'll get by Well It's alright to be myself  
now I've learnt to stand  
well it's ok to be just who I am  
I spent years really hating me  
longing to be friends, now I hope that you can understand  
This is who I am Are you someone, are you someone, are you someone, someone like me  
you deserve, you deserve, you deserve to be free  
cause the world will keep spinning, and you'll be trapped in it Well it's alright to be myself  
now I've learnt to stand  
well it's ok to be just who I am  
I've spent years really hating me  
longing to be friends, now I hope that you can understand  
This is who I am
