

Child Is My Name

Kemopetrol

Immortal angels
Dressed up as junkiesI'm going out tonight
And It's gonna be alrightIt's gonna happen
It's gonna happen, rightIt's gonna happen
It's gonna happenChorus:
I take the blame
and child is my nameAnd I believe your words
whatever you might sayThis is my hand
Shaking and raisedReaching out for something more
than mere playImmortal junkies
dressed up as angelsI'm meeting you tonight
And it's gonna be alrightIt's gonna happen
It's gonna happen, rightIt's gonna happen
It's gonna happenchoruschorusthan mere playthan mere play
