It's All Good

Mario Winans

Oh, oh ladyThings ain't always what they seem
I never expected it to be a dream
That I continue to think of us together
We can make it through the stormy weatherYou may not know it now but everything's right
I know you can't see now, just give it time
I will never leave you lonely, you can always depend on meIt's all good though it seems a little rough
It's okay, it's okay, so baby, don't you worry
'Bout a thing 'cuz I'm here forever 'cuz I'm here
With you forever and a day 'cuz it's all okay, oh babyThere's nothing we can't handle
I'd world for you if I had to go
I would give you everything you needed
Together we would never be defeatedYou may not know it now but everything's fine
I know you can't see now, just give it time
I would never leave you lonely, you can always depend on meIt's all good though it seems a little rough
It's okay, it's okay, so baby, don't you worry
'Bout a thing 'cuz I'm here forever 'cuz I'm here
With you forever and a day 'cuz it's all okay, oh babyIt's all good though it seems a little rough
It's okay, it's okay, so baby, don't you worry
'Bout a thing 'cuz I'm here forever 'cuz I'm here
With you forever and a day 'cuz it's all okay, oh babyIt's all good though it seems a little rough
It's okay, it's okay, so baby, don't you worry
'Bout a thing 'cuz I'm here forever 'cuz I'm here
With you forever and a day 'cuz it's all okay, oh baby
