

# All At Once (Live In Barcelona, Spain)

## Jack Johnson

All at once  
The world  
Can't overwhelm me  
Theres almost nothin'  
That you could tell me  
That could ease my mind Which way will you run  
When it's always  
All around you  
And the feelin' lost  
And found you again  
A feelin'  
That we have no control  
Around a song  
Some say  
There's gonna be  
The new hell  
Some say  
It's still  
Too early to tell  
Some say  
It really  
Ain't no myth at all Keep askin' ourselves  
Are we really  
Strong enough  
There's so many things  
That we got  
Too proud of  
We're too proud of  
We're too proud of I wanna take  
The preconceived  
Out from  
Underneath your feet  
We could shake it off Instead  
We'll plant some seeds  
We'll watch em' as they grow  
And with each new beat  
From your heart  
The roots grow deeper  
The branches

Will they reach for what  
Nobody really knows  
But underneath it all  
There's this heart  
All alone What about is gone  
And it really  
Won't be so long  
Sometimes it feels  
Like a heart  
Is no place  
To be singin'  
From at all There's a world  
We've never seen  
There's still hope  
Between the dreams  
The weight of it all  
Could blow away  
With a breeze  
If your waitin'  
On the wind  
Don't forget to breathe  
Cause as the darkness  
Gets deeper  
We'll be sinkin'  
As we reach for love  
At least somethin'  
We could hold  
But I'll reach to you  
From where time  
Just can't go What about is gone  
And it really  
Won't be so long  
Sometimes it feels  
Like a heart  
Is no place  
To be singin'  
From at all
