

# Welcome To The Future

## Brad Paisley

When I was ten years old,  
I remember thinkin' how cool it would be,  
when we were goin' on an eight hour drive,  
if I could just watch T.V.

And I'd have given anything  
to have my own PacMan game at home.  
I used to have to get a ride down to the arcade;  
Now I've got it on my phone.

He-e-ey...  
Glory glory hallelujah.  
Welcome to the future.

My grandpa was in World War II,  
he fought against the Japanese.  
He wrote a hundred letters to my grandma;  
mailed em from his base in the Philippines.

I wish they could see this now,  
where they say this change can go.  
Cause I was on a video chat this morning  
with a company in Tokyo.

He-e-ey...  
Everyday is a revolution.  
Welcome to the future.

He-e-ey...  
Look around it's all so clear.  
He-e-ey...  
Wherever we would go and well we...  
He-e-ey...  
So many things I never thought I'd see...  
happening right in front of me.

I had a friend in school,  
running-back on a football team,  
they burned a cross in his front yard

for asking out the home-coming queen.

I thought about him today,  
everybody who's seen what he's seen,  
from a woman on a bus  
to a man with a dream.

He-e-ey...  
Wake up Martin Luther.  
Welcome to the future.

He-e-ey...  
Glory glory hallelujah.  
Welcome to the future.
