

# Dream To Me

Dario G

All my life  
Is changing every day  
In every possible way And all my dreams  
Is never quite as it seems  
Never quite as it seems I know I've felt like this before  
And now I'm feeling it even more  
Because it came from you I know I've felt like this before  
And now I'm feeling it even more  
'Cause you're a dream to me Dream to me  
Dream to me  
Dream to me All my life  
Is changing every day  
In every possible way And all my dreams  
Is never quite as it seems  
Never quite as it seems I know I've felt like this before  
And now I'm feeling it even more  
Because it came from you I know I've felt like this before  
And now I'm feeling it even more  
'Cause you're a dream to me Dream to me  
Dream to me  
Dream to me
