

Life Goes On

Marc Cohn

Without your father or your mother
 life goes on
Without your sister or your brother
 life goes on
Without your children down the line
 oh the drum stays right in time
 and life goes on
Without Elvis, without Jesus
 life goes on
 without anything it pleases
 life goes on

Without the begger or the king
 without every living thing
 yeah, life goes on
Without the movers and the shakers
 life goes on
Without the undertaker
 life goes on
You might think it's gonna stop
just because you're closing shop
 but life goes on
 Life goes on
 Life goes on
