

# I Saw Your Mommy...

## Suicidal Tendencies

Yesterday, as I went out of the house  
I saw a body lying down quiet as a mouse  
Lying face down in the sewer  
I got up closer and realized that I knew her  
All her organs coming from her inside  
Slashed up skin, sliced up hide  
Turned her over and saw the tire tracks on her head  
That's when I realized, she was dead  
I saw your mommy and your mommy's dead  
I saw your mommy and your mommy's dead  
Twisted body, chopped off feet  
Her body was minced meat  
Bugs crawling on her arms  
She's dead, can't do no harm  
Gnarled up legs, broken and bent  
Her last breath, has been spent  
I wonder, how much would I pay  
To get your mom killed in such a bloody way  
I saw your mommy and your mommy's dead  
I watched her as she bled  
Chewed off toes on her chopped off feet  
I took a picture 'cause I thought it looked neat  
But the thing I liked seeing the best  
Was the rodents using her hair as a nest  
I saw your mommy and your mommy's dead  
I saw your mommy and your mommy's dead  
Twisted body, chopped off feet  
Her body was minced meat  
Bugs crawling on her arms  
She's dead, can't do no harm  
Gnarled up legs, broken and bent  
Her last breath has been spent  
I know that she won't really be missed  
But make it look good at her funeral and give her a little kiss  
I saw your mommy and your mommy's dead  
I saw her lying in a pool of red  
I think, it's the greatest thing I'll ever see  
Your dead mommy lying in front of me  
I'll always remember her lying dead on the floor  
I hope she dies twenty times more  
I saw your mommy and your mommy's dead  
I saw your mommy and your mommy's dead  
Twisted body, chopped off feet  
Her body was minced meat  
Bugs crawling on her arms  
She's dead, can't do no harm  
Gnarled up legs, broken and bent  
Her last breath, has been spent  
I wonder, how much would I pay  
To get your mom killed in such a bloody way
