Fear of Fireflies

Calla

Outside before you
Who's left to step to?
Follow me back through
Should be, could be youMy fear of fire back cover me
Steal sure fire over me
Sea of fireflies
Hover in the dark
Following tracers
Scattering apart
Following meBlack cat, firecrack, shoot
Could be, should be youMy fear of fire back cover me
Steal sure fire over me
Sea of fireflies
Hover in the dark
Following tracers
Scattering apart
Following me
