

Hello

Kelly Clarkson

Yes I stumbled into the night
We're touching but I feel like you are still out of reach
But people hear a buzzin like a bug on a light
I'm feeling like I always see them, but they can't see me
Sentimental feelings
Never get me anywhere
My heart can't stand this beating
Is there anybody, anybody?
Hello, hello
Is anybody listening?
Let go cuz everyone lets go'a me
Oh oh, won't somebody show me that I'm not alone, not alone
Yeah I'm coming through this desert of stone
These faces on the statues that I used to know
Wishin I was more than what my story has told
Or hoping that I'm dreaming in the day and this isn't happening
Gotta keep it all together

Longin for a hand to hold
Keep clear of the shadows
Is there anybody, anybody?
Hello, hello
Is anybody listening?
Let go cuz everyone lets go'a me
Oh oh, won't somebody show me that I'm not alone, not alone
[Bridge]Holding on to the memories of when I, I didn't know
Ignorance isn't wise but it beats being alone
Hello,
Is anybody listening?
Let go cuz everyone lets go'a me
Oh oh, won't somebody show me that I'm not alone, not alone
Hello,
Is anybody listening?
Let go cuz everyone lets go'a me
Oh oh, won't somebody show me that I'm not alone, not alone
