

# Angel of Mine

## Subdigitals

Relax your mind  
And just close your eyes  
You know I'm with you, whatever you do  
So just take your time  
Cause we're just devine  
Cause I'm gonna make you see  
Just let yourself go and trust in me  
And I'll go all the way with you, it's true, cause I feel for you  
That I'm the one who's there for you  
Mmh... oh yeah...  
Through all the seasons night and day  
Oh ill never walk away  
Cause your the...  
Oh no, this I promise you  
The light of my life  
... Angel of mine  
Through all the good and bad times  
You're the one that always shines

Cause your the angel, angel, angel...  
Angel of mine  
And I will always be there  
Ohyeah...  
The good things in life  
Yes I will always share  
Till the time is passing by  
Angel of mine  
Cause your the angel, angel, angel...  
And make me see  
Take care of me  
That I can trust you  
What you mean to me  
It's plain to see  
Cause your faithfully  
what you've done for me  
Thank you for everything  
cause I'm gonna make you see...
