Any Life

Bedhead

It hasn't been that long since I had a dream that bad
(but) come to think of it that was the worst sleep I've ever had
you were on my mind as I lay coughing there
I heard you cough in mine and then I saw you stareIt's easy to forget to put my hands up to my head
close everything off and crawl into bed
I can't give any life to what I do
can't keep the mind to see anything through
