

# Nothing But The Girl

Alexandra Burke

Take all the money from me  
Nothing matters but the girl  
Take the recognition, take all the fame  
Even take my name, nothing matters but the girl  
Take every stitch of clothing I own  
And completely naked I would walk the world  
People bloggin', talking crazy  
I ain't gonna let it break me  
Nothing matters but the girl  
I don't need material things to represent myself  
As long as I know who I am I don't need nothing else  
No, nothing else, yeah  
Nothing but the girl  
No, nothing matters  
I tell you nothing matters but the girl  
Nothing but me, baby  
Nothing but the girl  
Said nothing matters  
I tell you nothing matters but the girl  
Said nothing but me, baby  
No, nothing but me, baby  
I said nothing but me, baby  
Take my seconds, minutes, hours  
All my precious time 'cause nothing matters but the girl  
Take my skills away, the words I say  
Reason and my rhyme 'cause nothing matters but the girl  
Excuse me Lord, don't mean to interrupt  
You know that it gets hard living in this world  
But thank you in advance for making me who I am  
'Cause nothing matters but the girl  
Nothing but the girl  
No, nothing matters  
I tell you nothing matters but the girl  
I said nothing but me, baby  
  
Nothing but the girl  
Nothing matters  
I tell you nothing matters but the girl, yeah  
No, nothing but me, baby

I said nothing but me, baby  
I said nothing but me, baby  
Ain't nothing in this whole wide world I can't do without  
Nothing matters but the girl  
Special as the air I breathe, that's the way I view me  
Oh, baby, baby, baby  
I said nothing but me, baby  
I said nothing but me, baby  
Nothing but the girl  
Nothing but the girl  
I tell you nothing matters but the girl  
Nothing but me, baby  
Nothing but the girl  
Nothing matters  
I tell you nothing matters but the girl  
Nothing but the girl  
Nothing matters  
I tell you nothing matters but the girl  
Nothing but me, baby  
Nothing but the girl  
I tell you nothing matters but the girl  
Nothing but the girl  
I'll tell you nothing matters but the girl  
Nothing but me, baby  
Nothing but the girl  
I tell you nothing matters but the girl  
Nothing but the girl  
I tell you nothing matters but the girl
