

No Words

Sabrina Carpenter

[Intro]

No words, no words, no words[Verse 1]

When everything's quiet

Nothing on the tip of your tongue

But a beautiful silence

And the lights ring out[Verse 2]

But even in the madness

When everything just seems to go wrong

Take a beautiful silence

'Cause the lights ring out[Pre-Chorus]

Ribs are a cage of a wild heart

I can hear your heart beating in the bars

Beating in the bars, beating in the bars x2[Chorus]

When everything is up and down

Up and down, up and down

And the world is trying to beat you down

Beat you down, beat you down

(No, no, no words)

Peace and quiet

Livin' on the tip of your tongue

When everything is up and down

Up and down, up and down

(No, no, no words)[Verse 3]

When I'm in darkness

The darkness having you by my side

Cause you leave me speechless

And the lights ring out[Verse 4]

When nobody can hear us

I'll tell you everything with my eyes

Cause you leave me speechless

And I think you know[Chorus]

When everything is up and down

Up and down, up and down

And the world is trying to beat you down

Beat you down, beat you down

(No, no, no words)

Peace and quiet

Livin' on the tip of your tongue

When everything is up and down

Up and down, up and down
(No, no, no words)[Bridge]
No words, no words, no words
When it
No words, no words, no words
Hear me
No words, no words, no words
Baby
No words, no words, no words[Chorus]
When everything is up and down
Up and down, up and down
And the world is trying to beat you down
Beat you down, beat you down
(No, no, no words)
Peace and quiet
Livin' on the tip of your tongue
When everything is up and down
Up and down, up and down
(No, no, no words)[Bridge]
No words, no words, no words
When it
No words, no words, no words
Hear me
No words, no words, no words
Baby
No words, no words, no words[Pre-Chorus]
Ribs are a cage of a wild heart
I can hear your heart beating in the bars
Beating in the bars, beating in the bars x2[Outro]
Baby
No words, no words, no words
