Forget Me Not

The Civil Wars

I've been a-waitin' for you
And you've been a-waitin' for me
Tell me that you'll always be true
And you'll be the only one for meForget me not, my dear, my darling
Forget me not, my loveI just wanna hold your hand
Hang on every word you say
Let's write a song for us
And sing it till we're old and grayForget me not, my dear, my darling
Forget me not, my loveI'm comin' home real soon
Please leave a light on for me
Tell me that you'll always be true
And you'll be the only one for meYes, you'll be the only one for me
