

# Down On Your Knees

## Kiss

Alright, ooh yeah are you ready to rock, I'm talking about satisfaction  
So let's cut the talk, yeah, and get on with the action  
Better make up your mind, girl, 'cause it's now or never  
It's getting down to the night, yeah, and I ain't waiting forever  
She's alright, 'cause she's all I got tonight  
She's alright, and she's eager to please  
Down on your knees, this is love in the first degree  
Down on your knees, and tonight the lovin's on me  
Are you ready to rock, babe, she saw me coming for miles  
So let me see what you got 'cause darling, you'll be driving me wild  
Better make up your mind, girl, 'cause it's now or never  
It's getting down to the night, girl, and I ain't waiting forever  
I ain't waiting, girl  
She's alright, 'cause she's all I got tonight  
She's alright, and she's eager to please  
Down on your knees, this is love in the first degree  
Down on your knees, and tonight the lovin's on me, get down  
Now that you got me real worked up  
What you gonna do with me  
Now that you got me really hot  
I'm easy to please  
Down on your knees, it's this love in the first degree  
Down on your knees, yeah tonight the lovin's on me  
Down on your knees, this is love in the first degree  
Down on your knees, yeah tonight the lovin's on me  
I'm down on my knees, this is love in the first degree  
I'm down on my knees, yeah tonight the lovin's on me  
Down on my knees, this is love in the first degree  
Down on my knees
