Unsweet

DNCE

Don't know no history
Except for your own (your own)
Elastic on your teeth
Don't bite it you know, no no'Cause it's something, better rile you up
It's kinda beautiful and makes you feel alive (alive)
It's so magical, the way you walk
Yeah, the way you talk, you got me hypnotizedI like you unsweet
Don't need no manners
Don't need the good, the good grammar
When you pour your heart out on me (heart on me, when you pour your heart out on me)
I want you unsweet
You satisfy me
That brutal honesty
Won't you pour your heart out on me (heart out on me, when you pour your heart out on me)I'm not your enemy,
I ain't changing you, no
Those girls are sickly sweet
Leave a burn on my tongue, oh yeah'Cause it's something, better rile you up
It's kinda beautiful and makes you feel alive, alive
It's so magical, the way you walk
Yeah the way you talk, you got me hypnotizedI like you unsweet
Don't need no manners
Don't need the good, the good grammar
When you pour your heart out on me (heart on me, when you pour your heart out on me)
I want you unsweet
You satisfy me
That brutal honesty
Won't you pour your heart out on me (heart out on me, when you pour your heart out on me)When you pour it up
I don't need a cup
Don't you clean it up
I don't mind getting messy with your love
When you pour it up
I don't need a cup
Don't you clean it up
I don't mind getting messy with your, messy with your loveI like you unsweet
Don't need no manners
Don't need the good, the good grammar
When you pour your heart out on me (heart on me, when you pour your heart out on me)

I want you unsweet
You satisfy me
That brutal honesty
Won't you pour your heart out on me (heart out on me, when you pour your heart out on me)
