

# Call to Arms

## Angels & Airwaves

There's a little black, dark scar, tired divide.  
This is it, can you hear me?  
Have you ever felt a sad heart buried alive?  
You can do almost anything.  
There's a little red bridge with the view of the sun with a lake,  
I recommend such a setting site  
And the thousands of stars come out thousands of times  
And we can go, only if you believe.

Only if you believe.

Do you feel like you've lost everything you can lose?  
This is it, can you hear me?  
When you cry do your fears ever Chill up the room?  
Calling out in a moment of need.  
Do you ever lay awake with a look in the eye?  
Asking god if a wish is too big to deny?  
I will offer a line. And it is ready for use.  
Let me know are you ready for me?

[Chorus]

I'd like to say, that you're my only fear.  
And when I dream, it slowly disappears.  
And when I wake. I'm right here by your side  
To feel your heart, beat in and out of time.

When the storm brings rain, snow, fate of all kinds,  
You can feel almost anything.  
When the day seems to melt, fall flat into night,  
You can feel almost anything.  
When you can't go on, you got to get up and try.  
This is it, can you feel me?  
And when the bombs come down. We will make it alive.  
But only if you want to believe.

I'd like to say, that you're my only fear.  
And when I dream, it slowly disappears.  
And when I wake. I'm right here by your side  
To feel your heart, beat in and out of time.

(Out of time)
