Playboy Like Me

Playa

Advisory - the following lyrics contain explicit language:

Whoa, babygirl
You ain't been with someone like this
Had chills like this
Tell me how would it feel
You know whatBet you ain't never
Never met a playboy like me
I'll lick you from head to toe
First thing in the morning, morning
Before you know it
Girl you be shaking at the knees
I know my love's off the hease
You better believe it shorty
You can say I'm like drugs
Cause after I've given my love
Girl I bet you be fiending, fiending
I have them things
Recognize that I am that man
I hope you've been peeping game
I'm trying to tell you babyI know you ain't never
Met a playboy like me
I know cause you cuss a lot
And with me you're smiling, yeah
My love don't play
(This is your lucky day)
Ooh girl I can hardly wait
Wait to see you shorty
And so it seems
(You've been moping around)
Don't let yourself get you down
(Don't get discouraged baby)
Ooh baby I got you
(Better days headed your way)

I think we should celebrate
I bet you ain't ready baby1 - I know you ain't never
Never met a playboy like me
I bet you've been cheated
Don't worry I got you covered shorty
I know I ain't perfect
From head to toe I'm real as can be
And I know I'm up in your mind
Lovin' is on your mind
I know you have never felt like this till you holla
Never known a playboy like me
Let me sweep you off your feet
I know how to get you heated shorty
Send you chills from your head to your feet
You best to believe it girlI know you ain't never
Never met a playboy like me
I'm searching you for your spot
(I'm a get'cha horny shorty)
If you don't got one
Well that's okay oh girl cause I'll feel you up
(You better tell her Smoke yeah)Nothing like a hand in your butt
Wait till you fall in love
Cause I be giving it to you
Give it to you love
(Wait till I do you baby)
You see even if I ain't your type
I know I'm gonna get'cha right
You better believe in shortyRepeat 12 - Rub ya, rub ya, rub ya
Kiss ya, kiss ya, kiss ya
Do ya, do ya, do ya
Feel like nothing before
Love ya, love ya, love ya
Calling, calling, calling
Running, running, running
Running back for more
