Troubled Mind

Kula Shaker

Listen to the promise of my heart
Well, you thought it was broken from the start
No,no, no it was just a troubled mind
Stopped me having all I've ever wanted
And I have tried
Well, it's alright, alright
Ohh...it's alright,we'd all like somebody the lean on
Well, it's alright, alright
Ahh, my troubled mind
Somebody let me go..oh
If I found a way the make it home
I would never leave you here alone
No no no, I would give it all to you
Just to know I have been done
Done for truth
Somebody let me go home
