Unite and Win

Sham 69

They say "It's the time of year"
But we're living in a land of fear
And they say, "Why don't you act your age"
But we're giving back what they gave
What does the future give you to, to beleive in
They say they've no more left deceivin', can you see themA new nation, of satisfaction
UNITE AND WIN!
Keep good moral (keep the light on?), for tomorrow
UNITE AND WIN!
Don't beg or borrow, no more sorrow
UNITE AND WIN!They say, "We get our kids ready"
Follow me here, you see all you're rock steady
And they say that we're not in danger
But here I stand, the lonely stranger
What's going to happen to our youth, of tomorrow
If we don't change, then they won't know
We won't be thereA new nation, of satisfaction
UNITE AND WIN!
Keep good moral (keep the light on?) , for tomorrow
UNITE AND WIN!
Don't beg or borrow, no more sorrow
UNITE AND WIN!i want the freedom that they swore
and promissed to give me
then and only then will i be ready
to die for my countryA new nation, of satisfaction
UNITE AND WIN!
Keep good moral (keep the light on?) , for tomorrow
UNITE AND WIN!
Don't beg or borrow, no more sorrow
UNITE AND WIN! (repeat till end)
