

Christmas Time Is Near

Buck Owens & His Buckaroos

Snow flakes falling on the ground
Mistletoe hangs all around
Last minute shoppers everywhere
Christmas spirit fills the air Happy little girls and boys
Windows filled with Christmas toys
It's that special time of year
Oh, Christmas time is here Kiddys being extra nice
Take their moms and dads advice, because
If they're good the way they should
They'll get an extra gift from Santa Claus
Sleigh bells ringing here and there
Christmas carols everywhere
It's that special time of year
Oh, Christmas time is here--- Instrumental --- Kiddys being extra nice
Take their moms and dads advice, because
If they're good the way they should
They'll get an extra gift from Santa Claus
Sleigh bells ringing here and there
Christmas carols everywhere
It's that special time of year
Oh, Christmas time is here Oh, Christmas time is here...
