

Downfall (feat. Chevy Woods)

Wiz Khalifa

I used to spread a wife with a bread like ...
All man nobody had to say so
Hit my homie from ... after I hit my little bitch from the bay yo
So high have you ever seen stars?
Tell me baby have you ever seen mars?
She says she gonna ... up, like what?
Have you ever seen josh
Hit the switch now we riding on 3 wheels
I don't want you around for a cheap thrill
I'm rolling, you rolling, we sweating, no ... pills
Old school, playing up in my ride
Oh, I told you, I'm trying to get up inside you
I heard you freaky baby, won't you get up in my ride and do what you like to?
Cause tonight it's going down, down, down, down, down
Make the phone callers and a couple friends yeah you can invite too
I'm with my nigger so it's going down, whoa
Going in, going in, cover me cause I'm going in
If I put my ... then guaranteed that I'm gonna win
Roll 2 joints, you roll 2 joints and take 2 cups and hold them in
Take you up you never come
Then knock you down like roller pin
You ... nigger, you should tell her not to worry about me
... game nigger, game nigger...
... insane nigger,...painkillers
I'm on her brain so much,
That's the first that she gave me, I heard you freaky baby, won't you get up in my ride and do what you like to?
Cause tonight it's going down, down, down, down, down
Make the phone callers and a couple friends yeah you can invite too
I'm with my nigger so it's going down, whoa
No sleep, that's the motto, drinking out that bottle
Copy cats, they just wanna follow
They bad bitches they just wanna swallow
Them ... flying at you ...
Got a bag of money and a ... bitch
... we the taylor gang, is that your chick
She was backstage trying to get at the ...
She a fan first but i tell you that
One night bet you won't get her back
Bet you won't get her back
One night bet you won't get her back
I heard you freaky baby, won't you get up in my ride and do what you like

to?

Cause tonight it's going down, down, down, down, down

Make the phone callers and a couple friends yeah you can invite too

I'm with my nigger so it's going down, whoa.
