Advisory - the following lyrics contain explicit language:

I was six years old and a fast lane victim
Tattered jeans and pigtails, going to self-destruct
I'm gonna suck your mother and lack self respect
Reveal my hopes and fears of a lost girlTeenage sex
Star descent
Let's go steady
There's one more nameDon't get me from school as I won't be there
Exploited, cheated and angry is the way I feel
Where are you today while I crave some love
Out of control and numb is the child I am
