

# Fall

## Dag Nasty

I can last a lifetime  
or be done with in a day  
I can be picked up  
I can be thrown away  
Hope that I can bounce back  
after each and every fall  
I'm supposed to bounce back  
I am a rubber ball  
Hope that I can bounce back  
after each and every fall  
but it's easier to fall  
I'm supposed to bounce back  
I can't hit you hard enough  
to make you feel you're not alone  
I can't touch you soft enough  
to make you feel you're flesh and bone  
But I'll keep on trying  
even though I'm not getting through  
I'll keep trying  
trying to get to you
