American Feature

Majority Rule

This is not a movie.
And there it is. Behind the patriotic soundtrack.
This is not a movie.
And there it is. Behind the patriotic soundtrack.
It's the sound Of screaming.
It's the sound of dying.
Everyone. Sit down.
The movie is starting.
Everyone. Sit down.
It's called "Never Ask Why".
We have our tragedy. They have theirs.
That we paid for and are paying for.
