

# Miss You Much

## Janet Jackson

Shot like an arrow through my heart  
That's the pain I feel  
I feel whenever we're apart  
Not to say that I'm in love with you  
But who's to say that I'm not  
I just know that it feels wrong when I'm away too long  
It makes my body hot  
So let me tell ya baby I'll tell your mama  
I'll tell your friends  
I'll tell anyone who's heart can comprehend  
Send it in a letter baby tell you on the phone  
I'm not the kinda girl who likes to be alone  
I miss ya much I really miss you much  
I miss ya much baby I really miss ya much I'm rushing home just as soon as I can  
I'm rushing home to see your smiling face  
And feel your warm embrace  
It makes me feel so g-g-g-good  
So I'll tell ya baby I'll tell your mama  
I'll tell your friends  
I'll tell anyone who's heart can comprehend  
Send it in a letter baby tell you on the phone  
I'm not the kinda girl who likes to be alone  
I miss ya much I really miss you much  
I miss ya much baby I really miss ya much  
I miss ya much I really miss you much  
I miss ya much baby I really miss ya much  
Miss you much  
I miss you much  
I really miss you much  
Miss you much  
I miss you much I'll tell your mama  
I'll tell your friends  
I'll tell anyone who's heart can comprehend  
Send it in a letter baby tell you on the phone  
I'm not the kinda girl who likes to be alone  
I miss ya much I really miss you much  
I miss ya much baby I really miss ya much  
I miss ya much I really miss you much  
I miss ya much baby I really miss ya much

That's the end
