## Reason To Be

## **Kansas**

So long, someone is waiting I got places to go, I got things to see No more procrastinating For this is the moment that was meant for me And I'm moving like a wave on the ocean Drifting to the opposite ride Traveling with no destination Just riding the tide People, they say that I'm foolish They say that I'm living in a fantasy Well, I say, "Every thing's easy It's better than living in futility" So, I'm standing here in back of the curtain Waiting for the start of the show Acting like an actor is easy If you can let go Someday something will find you A magical feeling you could not foresee A feeling so devastating From that moment on your life's a comedy And suddenly you're light as a feather You're falling like a leaf from a tree The things you thought you needed are fading Your reason to be, your reason to be Your reason to be Reason, reason to be Reason, reason to be

Reason, reason to be ...
