Akwa Ibom Ayaya

MISH

There comes a time we all leave home
In search of so called green pastures
This was the case of ini-obong
Who had left home for very long
For all the hustle nothing much
Until one day he met Nicki
A young rich girl who so pretty

She said ini come with me
I just like you forget money
Whatever you want just tell me
To her suprise Ini said

I want to go home
I'm from Akwa Ibom
Incase you don't know
Akwa Ibom-Ayaya
We can enter motor
Or fly for Aero
And land for Uyo
You should come with me
I'm missing the love at home (Ã—4)

Oh Sweet home
No place like home
I'm a king at home
So baby feel at home
You are in AKwa Ibom
And its sweet like a honey-comb
You go chop am dey carry go
Cos they call it the promise land
I'm so proud of my motherland
Mbok ndoko mien what you want

You want afang or edikan ikong (types of soups)?

From pot to pot, pot to mouth

No need for spoon no need for plate
Waste of time just five alive
Pls drop the knief and chop this life

I want to go home
I'm from Akwa Ibom
