Bobby Valentino

3, 33 is the new 2
Tell me what you wanna do?
3 is the new 2
Tell me what you wanna do?
What you wanna do?
What you wanna do?3 is the new 2
Tell me what you wanna do?

About adding a third party
Are you sure you wanna take it there?
Then maybe we can take it thereCall your girl on the phone
So we can set it up later on
Just tell me where you want me to be?
I'll bring the coke and Hennessey
And we can get it on3 is the new 2
Baby, bring your girlfriend when you come through
A whole lot of freaky things that we gonna do
If that's your fantasy then I'm feeling youBaby, 3 is the new 2
Don't forget about your girlfriend when you come through
A whole lot of freaky things that we gonna do
If that's your fantasy then girl I'm feeling youI must admit I'm a wild type of dude
But I think I met my match with you
With your freaky attitude
And you're always in the moodI can't believe you caught me off guard
If we're gonna do it then we gotta go hard
There ain't no turning back
Once we all get in the sac3 is the new 2
