

The Glow

Bonnie Raitt

I need a drink don't want to think
I drink too much but who's to say
What's right or wrong? I guess you think you see
You're tellin' me that I don't know
When it's passed the point
Of feelin' good I run around and find
I just can't get satisfied tonight Now there's a phone I hear the sound
I needed to talk
But it's too late for talkin' now I guess I'll go alone, I feel a glow
