Mystic Mind

Those Darlins

Bought a lotto ticket feelin' mystic
Palm readin' nature divine
Depth perception intrinsic connection
Identity shift matter body to mind
Suckin' on a cosmic egg
Open up my third eye
Walkin' down my life line
Call miss Cleo
I gotta mystic mind
Sooth sayer gypsy jazz
Fortune cookie ate my zodiac
Karmic cycle medicine man
Reality divinity spiritual land
Suckin' on a cosmic egg
Open up my third eye
Walkin' down my lifeline
Call miss Cleo
I got a mystic mind
