

Soulmate (Gließlich Ergänzl Cover)

Natasha Bedingfield

Incompatible, it don't matter though
'cos someone's bound to hear my cry

 Speak out if you do

You're not easy to findIs it possible Mr. Loveable

 Is already in my life?

 Right in front of me

Or maybe you're in disguiseWho doesn't long for someone to hold

 Who knows how to love you without being told

 Somebody tell me why I'm on my own

If there's a soulmate for everyoneHere we are again, circles never end

 How do I find the perfect fit

 There's enough for everyone

But I'm still waiting in lineWho doesn't long for someone to hold

 Who knows how to love you without being told

 Somebody tell me why I'm on my own

If there's a soulmate for everyoneIf there's a soulmate for everyoneMost relationships seem so transitory

They're all good but not the permanent oneWho doesn't long for someone to hold

 Who knows how to love you without being told

 Somebody tell me why I'm on my own

If there's a soulmate for everyoneWho doesn't long for someone to hold

 Who knows how to love you without being told

 Somebody tell me why I'm on my own

 If there's a soulmate for everyone

 If there's a soulmate for everyone
