

Cut 'Em Loose Bruce

Happy Mondays

Ill tell you the story of cut 'em loose Bruce
He was the man who set the outlaws loose
Prosecution say this boy misbehaved
He shoot for fun, do pussy, dance and raveHome, Im comin' home
Home, Im comin' homeThey say this boy got bigger lies
Than the whole of England and all the spies
But mad old Bruce, he cuts him free
There's nothing left to kill, so kill the weed with meOh, Ill see the sunshine, oh Ill see the sunshine
Oh, Ill see the sunshine again
Oh, Ill see the sunshine, Ill see the sunshine
Ill see the sunshine againHome, Im comin' home
Home, Im comin' homeWe all got a friend, [Incomprehensible]
He has lots of enemies but we all want him back
Here he is, inside four walls
We ask Obeah give the jailer a callOh, Ill see the sunshine, oh Ill see the sunshine
Oh, Ill see the sunshine again
Oh, Ill see the sunshine, Ill see the sunshine
Ill see the sunshine againHome, Im comin' home
Home, Im comin' home[Foreign content]Tonight gonna party, set fire 'round the town
Get wired with the boys, shoot the place down
Old Gilbert McBuston had too much McFuston
She threw him in the lake and took his nameOh, Ill see the sunshine, Ill see the sunshine
Ill see the sunshine again
Oh, Ill see the sunshine, Ill see the sunshine
Ill see the sunshine againHome, Im comin' home
Home, Im comin' homeIll tell you the story of cut 'em loose Bruce
He was the man who set the crackpots loose
And there I stood in front of Bruce
He was the man who set the idiot looseOh, Ill see the sunshine, Ill see the sunshine
Ill see the sunshine again
Oh, Ill see the sunshine, Ill see the sunshine
Ill see the sunshine againOh, Ill need the sunshine, Ill need the sunshine
Ill need the sunshine again
Ill see the sunshine, Ill see the sunshine
Ill see the sunshine again
Oh, I'll need the sunshine again
