

# Just a Little Bit

## Elvis Presley

I don't want much  
Just want a little bit  
Don't want it all  
Just a little bit  
Give me an eeny weeny bit  
A teeny weeny bit of your love Turn your lamps down low  
Slip me a kiss  
Turn your lights down low  
I won't let you resist  
I want an eeny weeny bit  
A teeny weeny bit of your love Early in the mornin'  
Well just a little bit  
Around midnight  
Just a little bit  
I want an eeny weeny bit  
A teeny weeny bit of your love Walk with me  
Just a little bit  
I said talk to me  
Just a little bit  
I want an eeny weeny bit  
A teeny weeny bit of your love
