

We Are Golden

MKA

Teenage dreams in a teenage circus
Running around like a clown on purpose
Who gives a damn about the family you come from?
No giving up when you're young and you want some
 Running around again
 (Running around again)
 Running from running
 Running around again
 (Running around again)
 Running from running
 Waking up in the midday sun
What's to live for? You could see what I've done
 Staring at emotion in the light of day
 I was running from the things that you'd say
 We are not what you think we are
 We are golden, we are golden
 We are not what you think we are
 We are golden, we are golden
 Teenage dreams in a teenage circus
 Running around like a clown on purpose
Who gives a damn about the family you come from?
No giving up when you're young and you want some
 Running around again
 Running from running
 Running around again
 (Running around again)
 Running from running
 I was a boy at an open door
Why you staring, do you still think that you know?
Looking for treasure in the things that you threw
 Like a magpie I live for glitter not you
 We are not what you think we are
 We are golden, we are golden
 We are not what you think we are
 We are golden, we are golden
 Teenage dreams in a teenage circus
 Running around like a clown on purpose
Who gives a damn about the family you come from?
No giving up when you're young and you want some

Now I'm sitting alone, I'm finally looking around

Left here on my own I'm gonna hurt myself

Maybe losing my mind I'm still wondering why

Had to let the world let it bleed me dry

We are not what you think we are

We are not what you think we are

We are not what you think we are

We are golden, we are golden

Teenage dreams in a teenage circus

Running around like a clown on purpose

Who gives a damn about the family you come from?

No giving up when you're young and you want some

Running around again

(Running around again)

Running from running

Running around again

(Running around again)

Running from running

We are not what you think we are

We are golden, we are golden

We are not what you think we are

We are golden, we are gold

We are not what you think we are

We are golden, we are golden
