

# Have to Pretend

## The Cave Singers

Ouuuuuuuhuuuuuhuuuuuuuu

Ouuuuuuuhuuuuuuuuuu

Run, this is day

Give me one more day

We burn we watch and burn out

This is easy to that even a fool

Get always so bad

## Maybe the last things

So, wait me down

I'm living a dusk night

See you, I'm on my phone

Yeaah, come on and stay babe

We are alone

Ouuuuuuuhuuuuuhuuuuuuuu

Ouuuuuuuhuuuuuhuuuuuuuu

Sad and no one it's greed to slow down

'Cause none this, and nothing's out there of a friend

Give me some time

To the day or night

It gotta swept

We are alone

Again, I'm living in your trails

See many goblins have to pretend

Yeah, right, say

I'm not gonna abrogate to swum

Roll'in, roll see

Roll'in, roll see

Roll'in, roll see

Roll'in, wrote to me

Rains in the most while

I'm fracking out to drink with the lost

Let's game

And gathering too

Sweep in out your shoe

## What you need to do

Ooooh, get free

We again,

I'm living in your trails

See many goblins have to pretend

Yeah, right, say  
I'm not gonna abrogate to swum  
I'm knowin'  
I knew it well  
Oh, is hade, hade, get hell  
Ouuuuuuuuuuuuuuuuuuuu  
Ouuuuuuuuuuuuuuuuuuuu.
