A Devil In the Woods

The Gun Club

I may be
just like Bill
I'm up on the hill
and I can't get downI cry because you don't know
I cry because you will never knowjust how dark can an animal be?
how dark can an animal be?Dark like darkness
dark like a devil out in the woods nowI saw the light
that just buzzed
I saw the light
but, my brain just buzzedI cry because you never know
I cry because you will never knowjust how black can an animal be?
how black can an animal be?Dark like darkness
dark like a devil out in the woods nowTrain
Train I ride
train I ride
ride on me
ride on me
