

Look With Your Heart

[Andrew Lloyd Webber](#)

CHRISTINE: Love's a curious thing
It often comes disguised
Look at love the wrong way
It goes un-recognized So look with your heart
And not with your eyes
A heart understands
A heart never lies Believe what it feels
And trust what it shows
Look with your heart
The heart always knows Love is not always beautiful
Not at the start So open your arms
And close your eyes tight
Look with your heart
And when it finds love
Your heart will be right Learn from someone who knows
Make sure you don't forget
Love you misunderstand
Is love that you'll regret GUSTAVE: Mother Look with your heart
And not with your eyes
The heart can't be fooled
Christine: The heart is too wise GUSTAVE: Forget what you think
CHRISTINE: Ignore what you hear
BOTH: Look with your heart
It always sees clear GUSTAVE: Love is not always beautiful
Not at the start CHRISTINE: But open your arms
And close your eyes tight
Look with your heart
And when it finds love
Your heart will be right
